It's cold, the weather sucks and we are not riding.

If weather permits, we may ride in parade on Presidents Day.

VA Legacy Run has an in-person meeting with a Zoom link on January 20 - Ride from surrounding area of the post to Winchester to Richmond. There is expected to be just as many riders as the national run

Question was asked about details on the Pres day parade for clarification.

**\*\*Apparently Nick likes to cover his motorcycle every night and rinse it in the morning before a ride. \*\***

When you clean your motorcycle, it might be a good idea to do a safety check and make sure to check your kickstand as it can come loose, and you do not want to be stuck.

**Chaplin: Nick Nicholas**

Brought up Kevin wanting to leave and to check the charter for members that do not ride and can stay as a member.

Bruce mentioned that Myron had to take his mother to the hospital, please keep her in your thoughts and prayers.
