Treasurer Elsie:

Starting balance was \$3787.94. Many paid dues, but still have a handful pending. She collected was \$250 which includes a donation of three dollars plus a check for \$300. We collected \$763 at the parking lot for the Ride of The Patriots. So the total income was \$1371 for a sub-total of \$4958.94. No pending expenses, which gives us a available balance is the same, \$4958.94.

Sargent at Arms Wilber:

Recapped the Ride of the Patriots and Rolling to Remember was a nice ride and everyone had a great time.

Elsie heard there was 3600 at Patriot

Secretary Vig: Nothing to Report

Safety Officer Bruce:

Asked who was registered for the In-state Legacy Ride.

The plan is to leave the post at 1100 on Thursday and head to Winchester and will stop somewhere along the way to lunch. Nick and Bruce did a pre-ride and found a Travel Lodge that was very clean and nice, near a Cracker Barrel and a carwash. Bruce made reservations there.

The National Legacy ride is on the 18-22. Planning on leaving on the 15th to Independence Missouri, takes 3 days to get there then ride to New Orleans and then ride back home to VA. Registration is open on the website.
